ALWAYS A WARM WELCOME

hunterstoves
GROUP

THE ALLURE COLLECTION OFFERS THE PERFECT SOLUTION FOR YOUR HOME.

Combining a sleek, smooth design and powerful technology for an efficient burn, you can watch the flickering flames through the large viewing window with ease.

The clean lines and stylish aesthetics offer more than just good looks. Our new Allure stoves deliver extremely low smoke emissions making them exempt from Smoke Controlled Areas. Plus, with their Eco Design 2022 approved status, you can simply relax knowing you're being environmentally friendly.

10 Year Warranty	2 / 3

10
YEAR
WARRANTY

Our stoves are built to last and all Herald authorised dealers will provide you with an extended 10 year warranty.

For full warranty specifications and terms, please visit www.hunterstoves.co.uk

Allure 05

We are proud to be a Willow member of the **Woodland Trust**, the UK's leading woodland conservation charity. Our funding is helping to create, protect and restore native woodland across the UK.

Help us to restore thousands of hectares of damaged ancient woodland with landowners across the UK and in our own woods, for the benefit of wildlife.

Clearance Distance To Non Combustible Materials (mm)	50	50	50
Smoke Control Area Exempt	Yes	Yes	Yes

Contact your dealer for installation advice

*A requirement of the forthcoming Eco Design 2022 standards means emission levels will be more stringent than those currently allowed for smokeless zones. PM (Particulate Matter), NOx (Nitrous Oxides) and OGCs (Organic Gaseous Compounds) are an emission measurement required by Eco Design 2022.

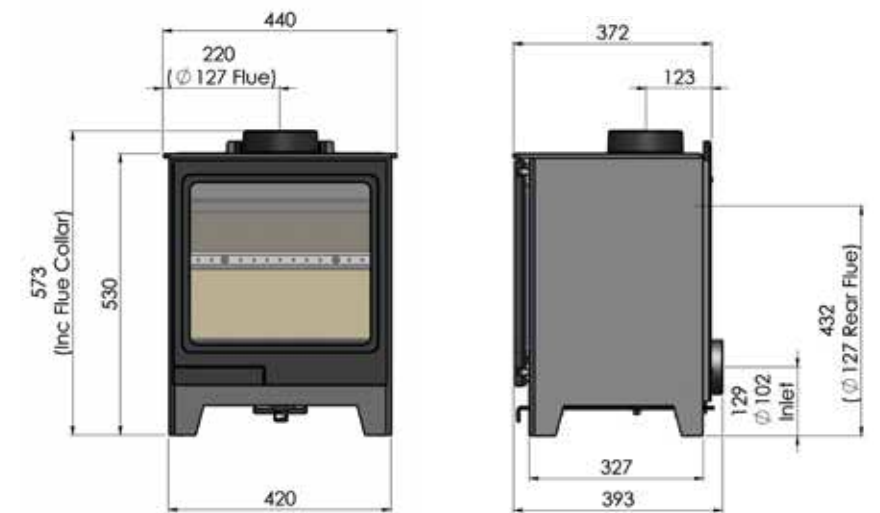

Our new Allure range burns well below the Eco Design requirements, ensuring a safer and cleaner burn for you and your family.

For full information on installation criteria, please refer to the instruction manual. This can be found on hunterstoves.co.uk or by contacting your dealer.

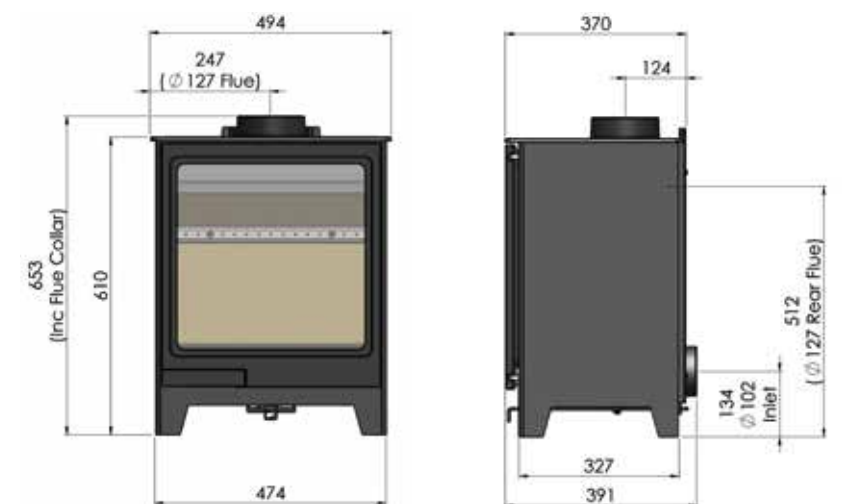

DIMENSIONS

BENCH

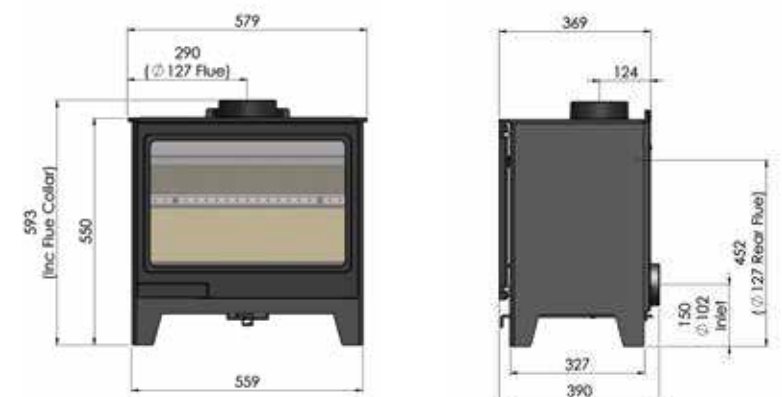

The stoves in the Allure range have the option of being fitted on a bench. There is a choice of two lengths, 800mm and 1,195mm long. Both are at a height of 345mm and a depth of 415mm. For more information visit hunterstoves.co.uk
